INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

App. #16707.

February 21,1908.

Mary Mills,

Topton, Cherokee Co.,N.C.

Madam:-

You have on file in this office application #16707 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your mother, Margret Dorsey, nee Jenkins, who was a daughter of John and Elizabeth Jenkins. You say that your mother is alive. Why has she not filed application in this office? Why was she not enrolled in 1851 if living at that time?

Are you of Indian and White blood, or Indian and Negro? Were you ever held as a slave by Cherokee Indians or White people? Was your mother ever held as a slave by Cherokee Indians or White people?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

I beg to advise that I cannot find either of the names of your father on the Eastern Cherokee roll of 1851.

Jim Ellick, being first duly sworn, thru Tom Roach, deposes and says:-

I am 60 years old: ### The father of William Powell and James Powell is Dah-yah-ih . He was a Full-blood Cherokee; He was living in 1851; I do not know what the names of his parents were. I have seen ##his mother but I do not remember her name. The brothers of Dah-yah-ih were Ellick ## Saw-wah-dih or Hawk, Sah-ne Gah-duh or Bread. These were all. He was living in Delaware District in 1851; Dah -yah-ih was recognized to be an Emigrant Cherokee. I do not know the names of his parents. I do not think Dah-yah-ih was living with anybody in 1851. He roamed around from place to place. I do not know much about these two boys; I do not remember of ever seeing the boys but I remember their father. Their mother was a white woman. All of the uncles of these boys are dead. Some white people called Dah-yah-ih Ela-lock. I do not know whether these boys are brothers or not. Dah-yah-ih died about ten years ago. I never knew Polly Ela-lock. I do n ot know whether they were enrolled by the Dawes Commission.

No one here seems to know much about these boys. Some say they live near Salina Post office other say they live near here..... The postmaster here don't know. There have enquired of many old Indians and none could tell me more than the above.

App. #16755.

February 21,1908.

Elias C. Alberty,

Claremore, Okla.

Sir:-

You have on file in this office application #16755 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, James W. Alberty, and your grandparents, John and Susan Alberty.

I beg to advise that the names of James W., John and Susan Alberty do not appear upon the roll of 1851; nor does the maiden name of your grandmother, Susan Wickett, appear upon said roll.

Are you positive that your father and grandparents were Eastern or Emigrant Cherokee Indians?

Have you any uncles and aunts who are now living and have filed applications in this office? Was your mother an Eastern or Emigrant Cherokee Indian?

In what district were your father and grandparents enrolled in 1851? Please consult some of your relatives and learn whether they were enrolled as "Old Settlers" or Eastern or Emigrant Cherokee Indians.

Respectfully,

LBD/AIL

Special Commissioner.

App. No.16755. Misc.

Elias C. Alberty, --- being duly sworn, deposes and says:

My name is Elias C. Alberty. My age is I was born and raised in this County or District. I was on every enrollment. I am also enrolled by the Dawes Commission Cherokee Roll , #7064. I claim through my mother and father both, Martha Wright, her maiden name. I don't know whether she was married in 1851. She lived in Going Snake District. Hermarried name was Martha Alberty. She had a brother Thomas, and Caleb; Nancy, Fanny and Ruth were sisters. She had a half-brother Bill Wright. Nancy lived in Going Snake District up until 1873. Ruth died in 1868. Some were born after 1851. The Wrights were Old Settlers. I claim Emigrant money through my father, Jim Alberty. My father had one full brother named George Alberty. He lived in Canadian District. His name was George W. I don't know whether he always lived in Canadian District. My father got his blood from his mother Susan Wicket. I don't know whether she was enrolled; she lived in Tahlequah District. I don't know whether shecwas ~~knowicked~~ known by any other name. She had two brothers: Ned was the oldest; he lived in Tahlequah District; Charles was the other brother. Wicket is sometimes spelled "Wicked". Susan Wicket had a sister Sally Kelly, nee Wicket. I think she lived in Georgia. I think she came out here in 1869. I don't know any further back than Susan Wicket. I do not know their Indian names. Ned Wicket was enrolled either on 1835 or 1851. In 1855 instead of being enrolled individually ther parent was enrolled and drew money for the family. My father himself was an Old Settler. He was regarded as an Old Settler. I don't know whether he got the 1851 money or not. His father was Mose Alberty.

I have some older brothers and sisters older than me who are dead. There were three children older than I/ My mother gets her Indian Blodd thru her father. Her mother was a white woman. Pleasant Rogers came to the west. I do not know when he came to the west. I do not know wh e-there he came before 1851 ornot. I do not kno whether he came before 1835 or not. Pleasant Rogers died before I was born. I do not know whether he was living in 1851 or not. My mothers hal ng t brothers snnd sisters who are living at the present time. I was enrolled by the Daws Commission. I drew the Stip money. I was admitted to the Cherokee Nation so etime in the 70's. I dont know exactly the date . I never heard my mother say anything about being on the roll of 1851 or 1835.

I do not know why my mother was never enrolled on the roll of 1851 or the roll of 1835. I never shared in the Old Settler payment of 1896. The brothers and sisters of my mother were George, Jane Cook, nee Rogers, Jasper. These were the full b others and sisters of my mother. My grandfather Pleasant Rogers was married twice. The above-named children were the children by the second wife. My grandmother Phooba Rogers died in Mo.

The half brothers of my mother were Matilda, William,-Ferril (Willian Ferrill) and Fed or Fred. I do not know whether any of the half brothers of my mother were on the roll of 1851 or not. I do not kno the name of the mother of these children.

The father of Pleasant Rogers was Charles Rogers. I do not know whether he came west or not. I do not know where my mo her was living in 1835. I do not know whether Pleasant Rogers was living in 1835 or not.

All my brothers and sisters except Howard and Richard married white women. My brother Jack has one child by his Cherokee wife, Minnie E. Turner. My brother Richard's wife was also. My Brother Richard was married four times. His fi st wife was a Georgia Ann Rogers, was a Cherokee. and by that marriage he had one child Minnie E. Turner. The father of Georgia Ann Rogers was George Rogers, a Cherokee. George Rogers was nd Old Settler. George Rogers was some relation to Pleasant Rogers but I do not know what it was. The wife of George Rogers was a white woman. The secodn wife of my brother ichard was a white woman. he third wife of my brother Richard was a cherokee. There were two childwen by the marriage, Callie Cunningham and Dick Prather., who are both living. The mother of these children was hattie Carr, before she was married and Hattie Carr's parents were Edward Carr and Susan Carr, nee Parks. Edward Carr was not a Cherokee. He was an Indian but belonged to some other tribe. The parenst of Susan Carr were Thomas Jefferson Parks and Anna Parks, both of hom were part Cherokee.

#16758-14038

Susan Carr was not married in 1851, but was living with her parents?/ (See Tahl/ 266) Susan Carr has the following brothers and sisters living now, Johnson Parks, Grove, Okla. Jeff Parks, Tahlequah, Okla. Mrs. Mary Browning, Los Angeles, Cal. Anna Woodall, Mc Intosh, New Mexico. Alma Ballard, Afton, Okla. Fannie Hill, Afton, Okla. James Parks, I do not know where his P. O. address is.

Lenora Trather is my brother Richard's last wife and she is a white woman.

Subscribed and sworn to before me this 11th day of arch, 1909, at Vinita, Okla.

Assistant to the Special Commissioner of the U. S. Court of Claims.

Lucien B. Bell, being first duly sworn deposes and says:-

I am 70 years old. I first became acquainted with this family about the year 1868. I never knew Pleasant Rogers. I knew the mother of Margaret J. Parks. When I first became acquainted with them they were not members of th Cherokee Nation. They made application to be admitted to the Cherokee Nation about 1880 . They were admitted and then their case was reopened sub-sequently on the ground that fraud had been committed in se-curing admission to the Nation. The former action was ratified and they were thereafter recognized as citizens of the Cherokee Nation. No fraud was found to have been committed. The question at issue was whether the mother of Mrs Parks was as a matter of fact the Child of Pleasant Rogers/ Mrs Cynthia Crump, who is now dead then testified that Pleasant Rogers was her brother. I never knew Phoeba Rogers, the wife of Pleasant Rogers. Mrs Cynthia Crump was an Old Settler. I never heard o f Pleasant Rogers until this admission case came up/ and the fact that he was not on the roll of 1835 led me to beleive that he died before that time. I was not in the case and had nothing to do with it. I do not know a great deal about it.

Mary Waters,

Long, Okla.

Madam:-

You have on file in this office application #16762 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Sam Killer. Further than that, you do not state.

I beg to advise that I cannot find the name of Sam Killer on the Eastern or Emigrant Cherokee roll or 1851. Please inform this office whether your father was an "Old Settler". Who were your grandparents on both your father's and mother's side? Give both English and Indian names if they had English names, and state where they were enrolled and in what district. Have you any uncles and aunts who have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

Special Commissioner.

WASHINGTON, D. C.

JAN 7 1909

Permelia F. Bowen,
Rodgersville,
Tenn.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether you claim to be an Eastern Cherokee Indian by blood through any other line of descent than through Donahoo and Bettie Pledge Poindexter.

If so, set forth fully the name of the ancestor through whom you so claim, who was living in 1835 or 1846, giving his or her full name, and the date of birth and death as nearly as possible, together with the exact place of residence of such ancestor in 1835, or 1846.

Very respectfully,

GUION MILLER,

Special Commissioner.

Rogersville, Tenn.

Jany. 29, 1908.

Hon. Guion Miller, Sp. Com.,

Washington, D. C.

Dear Sir:-

The attached letter would have been answered sooner, but have been waiting to make some investigation. I have no knowledge of any claim I might have threough any one else other than Donahoe and Bettie Pledge Poindexter, which would apply to me personally. I have found, on investigation, since receiving the attached letter, however, that my children, for whom I claim may have a right to claim through their father's ancestors, which was unknown to me at the time I filed my claim.

This claim arises from the fact that my husband's grandmother, whose name was Anna Ray, and who married John Barr, --my husband's mother's father--was said to have descended from the Cherokee Indians. She lived in Stokes Co., N. C. in 1835 and 1846, and died there about the year 1870. Her mother, whose name I do not know, descended from the Cherokee Indians, I am informed, but as to what proof could be made of the alleged facts, I am present uninformed.

Yours respectfully,

Permelia F. Bowen.

Rogersville. Tenn.,
May. 27. 1909.

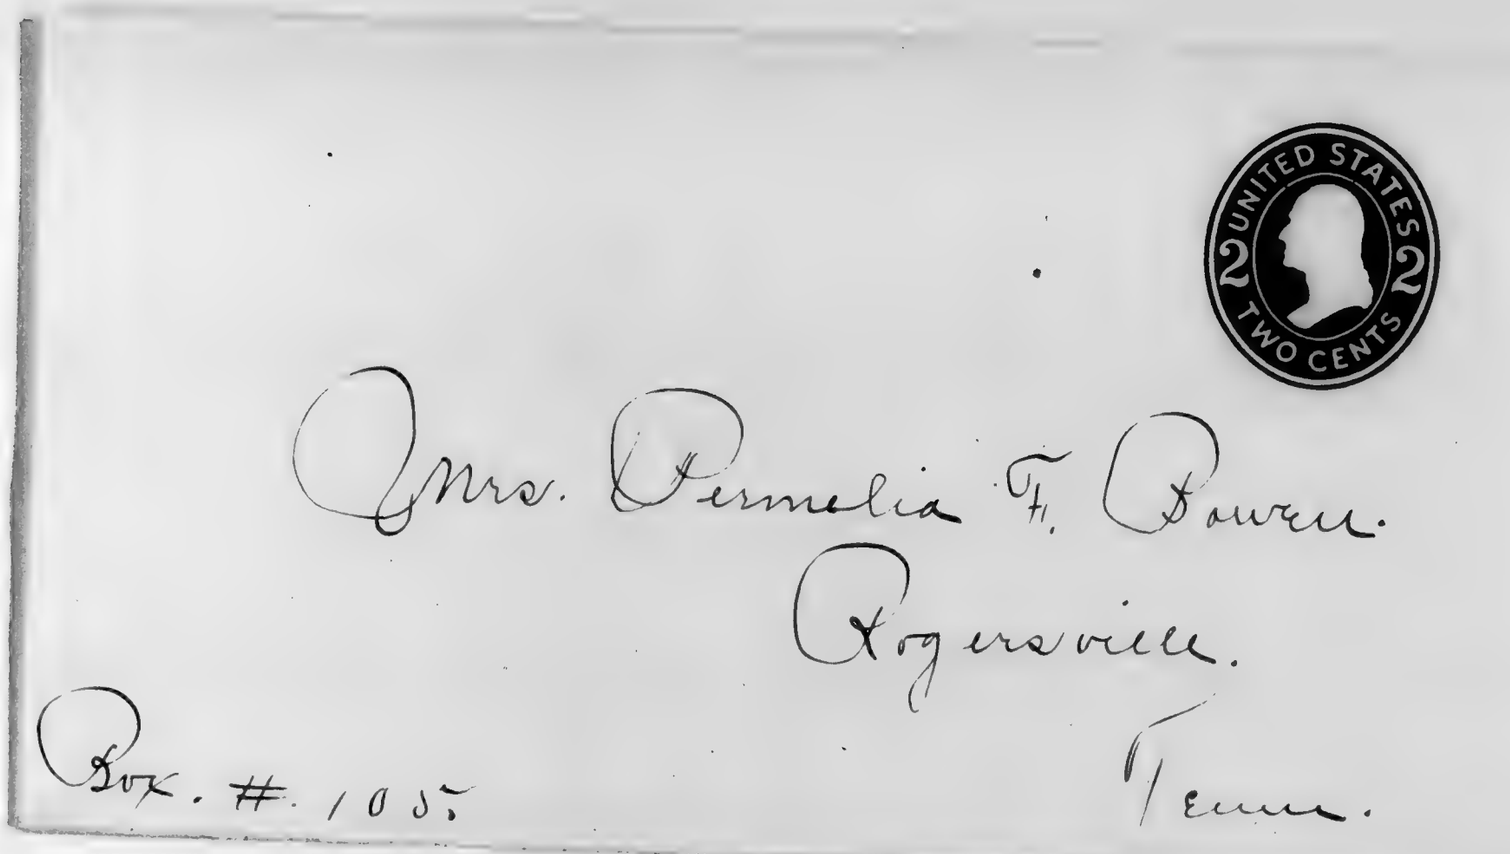

Mr. Orion Miller.
Washington.
D. C.

Dear Sir:-

Will you please be kind enough to let me know in the enclosed what has become of the Eastern Cherokee Claims?

As I have heard nothing in so long a time I would be glad to know if application number. 16.772 was turned down. or not?

So I will close hoping you will be kind enough to give me some reply. Permelia F. Bowers

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

App. #16779.

February 21, 1908.

Nancy Ickelberry,

Bohelata, Okla.

Madam:-

You have on file in this office application #16779 for a share of the money appropriated for the Eastern Cherokee Indians, for your two children, John and William Steeler, who are your sons by Coo-wee-skoo-ee Steeler. You state that you are an "Old Settler", but that your husband was an Eastern or Emigrant Cherokee Indian, and that your children are claiming through him.

I beg to advise that I cannot find the names of your husband and his parents on the Eastem or Emigrant roll of 1851.

You have given the Indian name of your husband as Kah-naw-skee-skee, stating that his grandfather was of the same name, and his mother was Sally Kah-naw-skee-skee. Are you sure your husband was an Eastern or Emigrant Cherokee Indian? If you are positive that he was such, please find out what other name he might have been enrolled under, and under what other name his parents might have been enrolled, and in what district they were living.

Has your husband any brothers and sisters who are living and have filed applications in this office? If so, please give their names and the numbers of their applications.

Respectfully,

LBD/AIL

Special Commissioner.

Hon. Guion Miller,
Special Commissioner , Court of Claims,
Eastern Cherokee Enrollment,
601 Ouray Bldg., Washington, D. C.

Dear Sir:

We are writing you concerning the application of our client, Mrs. Josephine H. Cannefax, of Enid, to be placed on the "Eastern Cherokee Enrollment".

By your letter to her concerning application No. 10436, we understand that you rejected her application in your report to the Court of Claims, May 28, 1909.

Mrs. Cannefax has recently retained us, and we have very carefully examined all papers in her possession. We have been able to conclusively trace her lineage, both directly and indirectly back to her grandmother, who was an Alabama Cherokee. Some of the descendants of this ancestor came west to Oklahoma when the main body of the Cherokee Tribe came pursuant to treaty, and their names appear on the old Cherokee Roll at Talequah; some other descendants of this ancestor never came west 'till it was too late to get rights under the treaty. Through the latter Mrs. Cannefax hopes to

establish her right to a place on the "Eastern Cherokee Enrollment". As far as we can learn it seems to us that Mrs. Cannefax, applicant No. 10436, can trace her right to be enrolled if she were properly advised. She told us that she had personally made out all papers previously forwarded to you in this matter. It is possible that she was unable to properly attend to this matter. Mrs. Cannefax is personally known to us, and is of excellent local reputation. We feel that we can do a Christian deed if in anyway we can assist her to put her claims properly before you. Would you kindly assist us by answering these questions:-

First: Why was her claim, or application, rejected?

Second: What is the distinction between an "Eastern Cherokee" and a "Western Cherokee"?

Third: Where can be found the "Eastern Cherokee Roll"?

Fourth: Where are the "rolls of 1851"?

Fifth: Where can be found the "Roll of parties to the treaties of 1835-36 and 46"?

We know that we are asking much of you, but this is the only course open to us, and trust that you will look upon this case with all possible charity.

Mary Smoke,

Madam:-

You have on file in this office application #16782 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, John Welch, and your mother, Wa-le-yar Welch, or Tsi-go-yar. Please furnish this office with the names of your father's Brothers and sisters, stating whether there are any of his brothers and sisters now living, and whether his mother was alive in 1851. What other name did she bear than Tse-le? Was your mother an Eastern or Emigrant Cherokee Indian or was she an "Old Settler"? Who was Young Pigeon? Has he filed an application in this office? If so, please give the name under which he has filed and the number of his application.

Respectfully,

Special Commissioner.

Sir:—

Young pigeon is my fathers brother on my mother side. His father name was Oo-gar-ter or "Bed". They didnt have any scalps. Young pigeon is still living. His mother was living in 1851, I dont know whether Ice-le had any other name or not.
I think my mother was an Eastern or Emigrant Cherokee Indian.
Young pigeon was John Nicks half brother.
Yes. Young pigeon made an application but I dont know what name he filed or the Numbar of his application.

Respectfully
Mary Smoke.

16782. Misc.

Mary Smoke being first duly sworn through, Martin Squirrel, Interporter, deposes and says:

I am about 40 years of age. Both of my parents were Emmigrants. My father was living in 51 with his parents in Delaware District. My mother wasn't born until after 51, I think. My father's name was John Welch or Joh-nih Wel-chih. His father's name was Ar-chil-luh and his mother was named Wah-dih or in English Betsy. My father had one brother but I don't know whether he was living in 51 or not, but his name was Wah-yuh-ne-duh or Young Pigeon. Young Pigeon is still living at Eucha. I don't know what name he goes by now. My mother's name was Wah-le-yuh. My mother's father's name was Che-scaw-yuh. Her mother's name was Wah-dih or Betsey. I was mistaken, my father's mother was named Sa-lih or ~~xxxxxx~~ Sarah . Think my mother's parents were living together in 51 in Saline District but they did not have any children living at that time. I was mistaken , my father wasn't living in 51. It was his father that was living then. His father, Ar-chil-luh was living with his parents.~~xxxx~~ in Saline District. Archil-luh had a sister named E-wih or Eve and his parents were named Ta-gun-kuh and Kee-die-yih. Eve is still living near Eucha and goes by the name of Eve Wolfe. See. Sal. 313. I reckon I am a Night Hawk. I have a ~~xxxx~~ sister named Annie Welch that lives Eve Wolf.

I beg to advise that I cannot find these names on the roll of 1851. Has the said Yona Bigmeat any brothers or sisters? If so, please give their names and the numbers of their applications if they have filed in this office.

Were the said Yona Bigmeat's parents alive in 1851? If so, were they married at that time? If not married, give the names of their parents, stating whether they were enrolled with said parents. Was Yona Bigmeat's mother enrolled by Hester in 1864? If so, under what name was she enrolled, and had she any children enrolled with her at that time?

DEPARTMENT OF THE INTERIOR,

UNITED STATES INDIAN SERVICE,

Cherokee, N.C. July 14, 1906.

Frank D. Ryan,

Murphey, N.C.

Dear Sir,

Stacy Taylor -16837-#8402 sent me a notice from you for her to appear in Murphey on the 15th instant to give testimony in her claim.

She is unable to go to Murphey, nor has she the money to pay necessary expenses. These Indians are very poor, and cannot get the money to travel with.

Stacy Taylor is an Indian, born and raised with these people, and it ought not to be difficult for her to establish her claim.

Very respectfully,

[signature]

Superintendent.

Murphy, N.C., July 16, 1908.

Dewitt S. Harris, Superintendent,
Cherokee Indian School,
Cherokee, N.C.

Dear Sir:

Your letter of July 14, 1908, addressed to Frank D. Ryan at Murphy, N.C., relative to the application of Stacy Taylor, No. 16837--8402, has been handed me for reply. As I have heretofore written you I expect to be at Cherokee early next week and will make an examination into Stacy Taylor's case while I am there. If she can conveniently get to Cherokee, I would be glad if you will notify her to be there either Tuesday or Wednesday next. From what you say it is quite possible that with the information you can furnish and from what we may be able to learn from some of the older Indians we can determine her case without having to examine her, but if she can appear it would be better.

Our present plan is for a party of three of us, Mr. Ryan, Miss Crawford and myself to reach Cherokee Sunday afternoon and to be there Monday, Tuesday and Wednesday. On Wednesday we will expect to be joined by Mr. Kotron and Miss Field and we have sent out quite a large number of notices for claimants to appear before us on Monday, Tuesday and Wednesday, the larger number for Wednesday. I have not yet received a reply to my letter asking

you whether we could secure accomodations at Cherokee and if you have not written in time for me to receive your letter today, I hope you will communicate with me at once at Bryson City, where I expect to be on Saturday. I expect to be taking testimony at Whittier tomorrow and possibly part of Saturday, but will be at Bryson City probably bothFriday and Saturday nights.

Very sincerely,
